

**Country:** Canada

**Province:** Prince Edward Island

**Job Title:** Senior 3D Artist

**Job Description:**

Under the umbrella of Other Ocean Group, Sculpin's new development division is looking for a talented and driven individual to take on the role of Senior 3D Artist. Our team is a small and tight-knit collective whose members are valued and expected to participate in helping bring out the fun in games. The ideal candidate should have experience mentoring junior artists and be able and willing to work in any area related to 3D game asset creation as needed.

### **Qualifications**

- Minimum 7+ years' professional experience in 3D Art, in the games industry
- Proficient in high-poly and low-poly modeling and strong knowledge of various texturing workflows
- Solid understanding of mesh economy and optimization
- Solid understanding of composition and staging
- Ideal candidate will have rigging and animating experience
- Great understanding of color theory, silhouette and proportions
- Good understanding of LODs and how to create LOD levels
- Strong observation skills and an eye for detail
- Strong teamwork skills and an ability to communicate clearly and concisely
- Organized and independent
- Ability to accurately estimate the time to complete tasks and manage priorities to meet deadlines
- Knowledgeable about contemporary media (web, games, comics, film, animation, etc.)

### **Assets**

- Unity3d experience
- A passion for video games and great player experiences.
- Virtual or Augmented Reality experience
- 2D art and animation experience
- UI experience
- Familiarity with Agile project management
- Strong traditional drawing and illustration skills
- Academic background in Arts, Fine Arts, 3D Arts or equivalent training
