Job Title: Videogame Evangelist / Community Liaison / Content Creator

Job Description:

To be considered for a Videogame Evangelist position for our upcoming titles, we are looking for someone that will be proficient at creating and maintaining our community by chatting with customers via discord, creating enticing content for social media platforms, and organizing and running live streaming dev events.

A Videogame Evangelist skills/duties include:

- Becoming incredibly familiar with the game such that they can speak authoritatively about it and champion it to the public.
- Being very familiar with the discord app and community, and comfortable talking 1 on 1 with customers/community.
- Noting feedback, identifying trends among the game's player base and reporting these back to the dev team (common issues, most wanted features, etc.)
- Setting up events, playing with users, having a good rapport with players.
- Uses various social media platforms and discussion boards (Insta, Twitter, FB, Imgur, Reddit).
- Well versed in Twitch and Youtube.
- Has a good eye for, and can create, edit, and upload screenshots, video clips & gifs to be used on social media platforms.
- Able to generate new ideas/content to capture a larger audience.
- Ability to set up OBS and stream live gameplay.

Other desirable skills include:

- Website development
- Photoshop/Graphic design
- Video editing/effects

Strong written and verbal communications skills are a must to be considered for this position. Please submit resumes and inquiries to employment@otherocean.com with the subject "Videogame Evangelist".
