Sculpin

Job Location: Charlottetown, Prince Edward Island, Canada

Job Title: Video Game Tester - *6 Positions Available*

Job Description: Under the umbrella of Other Ocean Group, Sculpin's QA division is looking for enthusiastic individuals to take on the role of Tester. We are looking for self-motivated workers who are passionate about gaming.

Responsibilities include:
- Discovering, reproducing, and logging software bugs.
- Completing checklists; preparing reports.
- Utilizing various tools, programs, and websites to aid in testing.

The chosen candidate should have:
- Excellent communication skills (written and verbal).
- Experience with multiple mobile and console gaming platforms.
- Self-discipline, motivation, and readiness to learn.
- Keen eye for detail and a tireless attitude.
- Knowledge or experience with testing, programming, or the design of video games is an asset.

Please submit resumes and inquiries to jobs@sculpinqa.com with the subject "PEI Tester".
